INTERIM DIRECTOR OF BANDS

CHRISTOPHER J. WOODRUFF

was appointed associate director of bands in fall 2006. In addition to his responsibilities with the concert and athletic bands at Cal Poly, he teaches courses in

music theory, music education and music appreciation. As instructor of trumpet, he also coaches the Cal Poly Brass Choir and teaches methods courses in brass pedagogy.

Inspired by participation at various music institutes while in high school — including the Boston Symphony Orchestra's Tanglewood Music Center — Woodruff pursued a bachelor's degree in music education at Louisiana State University. He continued his studies in conducting at Northwestern University, where he received the Eckstein Band Conducting Grant and earned a master's degree in music. His principal conducting teachers have included Frank Wickes, John Paynter, Stephen Peterson and Mallory Thompson. While based in Chicago, Woodruff served as music director of the Spring Valley Concert Band and was a guest conductor for the Northshore Concert Band and the Northshore Chamber Orchestra.

He maintains a full schedule of guest conducting and coaching ensembles throughout the U.S. He has appeared as guest conductor for the Tennessee All-State Band, Paso Pops, San Luis Obispo Symphony, Cal Poly Symphony, Penn Central Wind Band, and San Luis Chamber Orchestra.

An active trumpet performer, Woodruff has been a member of numerous professional and community ensembles. He regularly performs with local groups such as Orchestra Novo and Symphony of the Vines, and he has been featured in solo works for trumpet with the Penn Central Wind Band, San Luis Obispo Wind Orchestra, and the San Luis Obispo Chamber Orchestra. In 2014 he performed at the Kaleidoscope Festival in Dublin, Ireland. He has studied trumpet with James West, Joseph Jamerson, Adam Luftman, Rex Richardson and Jose Sibaja.

Woodruff holds professional memberships with the College Band Directors National Association, World Association of Symphonic Bands and Ensembles and the International Trumpet Guild. He is also a member of Phi Mu Alpha Sinfonia, and Pi Kappa Lambda and is chapter co-sponsor of Iota Pi chapter of Kappa Kappa Psi.

MUSTANG BAND ASST. DIRECTOR

LEN KAWAMOTO

has been serving as the assistant director of the Mustang Band since the fall of 1998. Born in New Hyde Park, N.Y., and raised in Torrance, Calif., he is an alumnus of Cal Poly and the Mustang Band. As a student,

he studied computer science while playing horn in the Mustang Band, Wind Orchestra, and the Chamber Orchestra. In addition, he participated in musical organizations such as the SLO County Band, SLO Chamber Orchestra and the Sacramento Freelancers Drum and Bugle Corps. His student leadership positions included equipment manager, executive officer, and Mustang Band president. Kawamoto is also a founding father of the Iota Pi chapter of Kappa Kappa Psi National Honorary Band Fraternity.

After earning a Bachelor of Science degree in computer science, Kawamoto accepted his current position as assistant director for the Mustang Band. He is a member of the College Band Directors National Association, the International Horn Society, and the IEEE Computer Society. He also performs regularly with the San Luis Obispo Wind Orchestra, Core-tete, and Pacific Coast Brass Ensemble. He has previously performed with the Cuesta Wind Ensemble, the San Francisco Renegades Senior Drum and Bugle Corps, and the Renegades Mini-Corps.

In addition to his responsibilities with the Mustang Band, Kawamoto maintains his professional alter ego as a software engineer for a local engineering company.
